Roz Mov

Pink and Lavender

Pages of Greece

Launched in January 1996, Roz Mov has been the very first GLBT site of Greece. Covering just about everything GLBT and greek, Roz Mov remained on-line for ten years. During this time, greek GLBT groups, organizations, magazines, even businesses, have launched their own web sites, rendering Roz Mov more of a redundancy than a necessity. On its tenth birthday Roz Mov is withdrawing itself off-line. Roz Mov's text-only version, hosted by the [QRD](#), was not made possible to delete or alter, but this is not necessarily a bad thing, since this 1999-snapshot/fossil, could be of interest to researchers or simply to the curious. The selection of greek GLBT sites' links that follows, can be thought of as a starting point for

exploring the greek GLBT cyberspace, and is by no means exhaustive. The animation that concludes this page, is a wrap-up of Roz Mov's images.
