## CHAVURA NOTICE

We now have to pay the venue of our Chavura and unfortunately now need to request that those attending make a donation of £3 per person to cover this cost. Costs have in the past been met at a financial loss from Group funds, but that is no longer possible. This is a situation that is beyond our control and we ask for your understanding and co-operation. Also, please remember that this donation is for the venue only and does not cover food etc. We do still need each person to bring vegetarian food and something liquid to share with others. Thank you for your understanding.
